

Name: _____

Date: _____

1. An angle measures 25° . Which type is it?

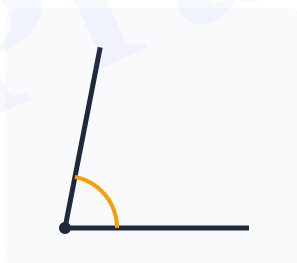

obtuse

acute

right

2. An angle measures 79° . Which type is it?

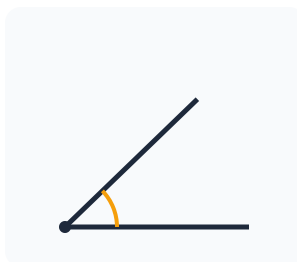

right

acute

obtuse

3. An angle measures 44° . Which type is it?

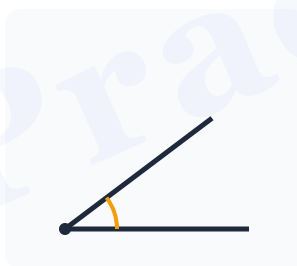

right

obtuse

acute

4. An angle measures 37° . Which type is it?

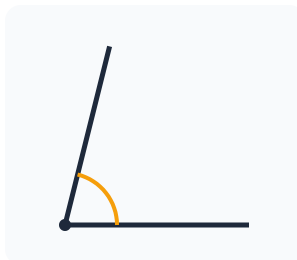

right

acute

obtuse

5. An angle measures 76° . Which type is it?

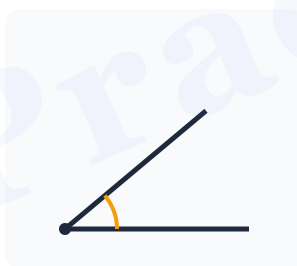

obtuse

acute

right

6. An angle measures 40° . Which type is it?

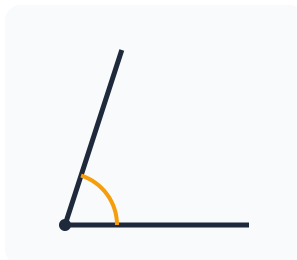

right

acute

obtuse

7. An angle measures 72° . Which type is it?

obtuse

acute

right

8. An angle measures 138° . Which type is it?

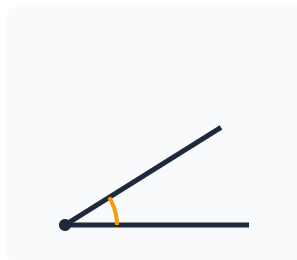

right

acute

obtuse

9. An angle measures 32° . Which type is it?

obtuse

right

acute

10. An angle measures 101° . Which type is it?

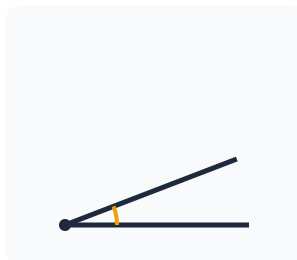

obtuse

right

acute

11. An angle measures 21° . Which type is it?

right

obtuse

acute

12. An angle measures 152° . Which type is it?

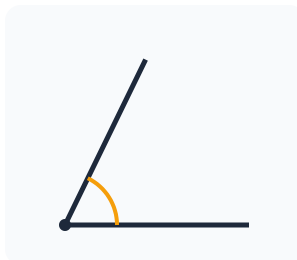

obtuse

acute

right

13. An angle measures 64° . Which type is it?

acute

obtuse

right

14. An angle measures 122° . Which type is it?

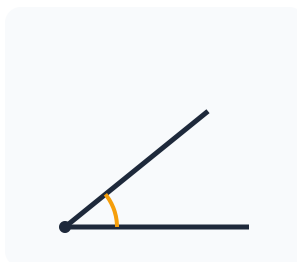

acute

obtuse

right

15. An angle measures 39° . Which type is it?

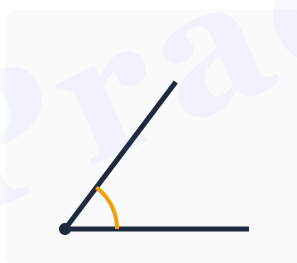

obtuse

right

acute

16. An angle measures 53° . Which type is it?

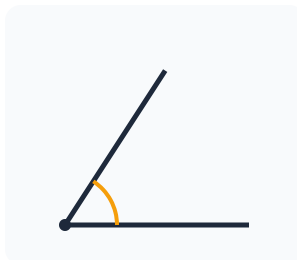

right

obtuse

acute

17. An angle measures 57° . Which type is it?

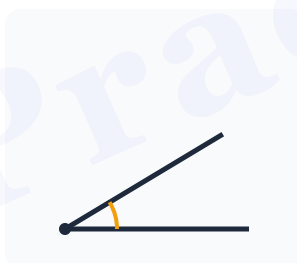

obtuse

acute

right

18. An angle measures 31° . Which type is it?

obtuse

right

acute

Answer Key

1. **acute** 25° is acute (less than 90°).
2. **acute** 79° is acute (less than 90°).
3. **acute** 44° is acute (less than 90°).
4. **acute** 37° is acute (less than 90°).
5. **acute** 76° is acute (less than 90°).
6. **acute** 40° is acute (less than 90°).
7. **acute** 72° is acute (less than 90°).
8. **obtuse** 138° is obtuse (between 90° and 180°).
9. **acute** 32° is acute (less than 90°).
10. **obtuse** 101° is obtuse (between 90° and 180°).
11. **acute** 21° is acute (less than 90°).
12. **obtuse** 152° is obtuse (between 90° and 180°).
13. **acute** 64° is acute (less than 90°).
14. **obtuse** 122° is obtuse (between 90° and 180°).
15. **acute** 39° is acute (less than 90°).
16. **acute** 53° is acute (less than 90°).
17. **acute** 57° is acute (less than 90°).
18. **acute** 31° is acute (less than 90°).
