Answer Key

1. **a baseball bat** a baseball bat is longer than a crayon.
2. **a paperclip** a paperclip is shorter than a jump rope.
3. **a bowling ball** a bowling ball is heavier than a marble.
4. **a marble** a marble is lighter than a bowling ball.
5. **a giraffe** a giraffe is taller than a mouse.
6. **a bush** a bush is shorter than a lamppost.
7. **Bottom bar** Line up the left ends. The bottom bar reaches farther, so it is longer.
8. **Top bar** The top bar stops sooner, so it is shorter.
9. **B** Bar B reaches the farthest, so it is the longest.
10. **Left tower** The left tower reaches higher, so it is taller.
11. **5** Count the blocks along the bar: 5.
