

Name: _____

Date: _____

1. Which numeral is "seven"?

16

7

8

9

2. Write the numeral for "ten".

3. How do you say the number 9?

nine

fourteen

eleven

4. Which numeral is "three"?

3

15

4

13

5. Write the numeral for "twenty".

6. Which numeral is "eighteen"?

18

19

10

15

7. Write the numeral for "five".

8. Which numeral is "six"?

11

6

7

9

9. Write the numeral for "two".

10. Which numeral is "two"?

1

2

20

3

11. Write the numeral for "three".

12. Write the numeral for "seven".

13. Write the numeral for "eleven".

14. Write the numeral for "thirteen".

15. Which numeral is "sixteen"?

17

11

18

16

16. Which numeral is "ten"?

11

19

10

9

17. Write the numeral for "zero".

- 18.** Write the numeral for "twelve".

MathPracticePro

Answer Key

1. **7** "seven" is written 7.
2. **10** "ten" = 10.
