Answer Key

1. **above** A cloud is higher up, so it is above the sun.
2. **on** A cup rests on top of the table, so it is on the table.
3. **in** A puppy is inside the box, so it is in the box.
4. **in front of** The duck is ahead of the cow, so it is in front of the cow.
5. **left** An apple is on the left side.
6. **near** A boat is close, so it is near.
7. **next to** Something right beside another thing is next to it.
8. **between** A yellow block has one block on each side, so it is between them.
9. **middle** A jar is on the level right in the middle, which is the middle shelf.
10. **above** A picture is higher, so it is above a lamp.
11. **above** A kite is higher up, so it is above the sun.
12. **on** A book rests on top of the table, so it is on the table.
13. **out** A rabbit left the box, so it is out of the box.
14. **behind** The pig is at the back, so it is behind the duck.
15. **right** A star is on the right side.
16. **near** A car is close, so it is near.
17. **next to** Something right beside another thing is next to it.
18. **between** A blue block has one block on each side, so it is between them.
