- 18.** Look at the picture: A toy is sitting up high on top of the table. A toy is ____ the table.

MathPracticePro

Answer Key

1. **above** A window is higher, so it is above a lamp.
2. **above** A balloon is higher up, so it is above a cloud.
3. **under** A ball is beneath the table, so it is under the table.
4. **out** A puppy left the box, so it is out of the box.
5. **in front of** The dog is ahead of the cow, so it is in front of the cow.
6. **next to** Something right beside another thing is next to it.
7. **between** A yellow block has one block on each side, so it is between them.
8. **above** A shelf is higher, so it is above a window.
9. **above** The sun is higher up, so it is above a bird.
10. **on** A cat rests on top of the table, so it is on the table.
11. **behind** The cat is at the back, so it is behind the duck.
12. **left** A star is on the left side.
13. **far** A car is a long way away, so it is far.
14. **next to** Something right beside another thing is next to it.
15. **between** A green block has one block on each side, so it is between them.
16. **middle** A shoe is on the level right in the middle, which is the middle shelf.
17. **above** The sun is higher up, so it is above a kite.
18. **on** A toy rests on top of the table, so it is on the table.
